

MEMORANDUM FOR THE RECORD

SUBJECT : Distribution of the CCPC Narcotics Report

On 3 November when we asked for the copies of the CCPC paper for distribution to the community we were told that the paper had already been distributed to the CCPC on 31 October. The report had been distributed to the attached list of people without a covering memo from [REDACTED] [REDACTED] informed [REDACTED] of this distribution on 3 November and showed him a copy of the list.

We asked the CCPC for all the remaining copies of the report. It was then decided that Marie in the CCPC Secretariat would circulate the covering memos from [REDACTED] to all members who had the basic report with a note asking them to attach the covering memos to all copies of the report. This was done on 6 November.
